DETAILED ACTION

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on 2/13/04 has been entered.

Prior Art cited

Tokuda et al discloses an optical scanner having a structure relevant to the instant invention.

Claim Objections

Claims 38-65 are objected to because of the following informalities: Claim 38 recites the limitations "the first compliant directions" and "the second compliant direction" in lines 16 and 17, respectively. There is insufficient antecedent basis for this limitation in the claim. Claims 39-65 are dependent on claim 38 and thus are objected to for the same reason. Appropriate correction is required.

Allowable Subject Matter

Claims 1-30 and 38-65 are allowable over the cited prior art.

The following is an examiner's statement of reasons for allowance: In re claims 1-30 see reasons for allowance in paper no. 9. In re claim 38 none of the cited

references teaches or fairly suggests a tiltable-body apparatus having the structure specified in claim 38; particularly, the features recited in the last three paragraphs of the claim. Claims 39-65 are dependent claims and thus allowable at least for the same reason.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

This application is in condition for allowance except for the following formal matters:

The objection to claim 38 discussed above.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

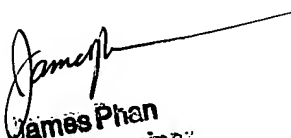

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
